Dear Doctors,

Greetings from HTDSS!

Howrah Town Diabetes Study Society was founded on July 1, 2018. Out of a thought-provoking idea to create a platform for education, enrichment and empowerment of doctors and the society at large in the field of diabetes and medicine, nine like-minded enthusiastic and dedicated doctors practising at Howrah having common interest in diabetes and its related specialities formed the first diabetes society in Howrah. The aim of this society is to raise awareness about diabetes, conduct social and scientific programs to enhance learning, interacting and applying updated knowledge for the betterment of the society.

Founder Members: Dr. Sanjay K. Shah (Diabetologist & Endocrinologist), Dr. B. P. Pandey (Cardiologist), Dr. Dilip Todi (Gastroenterologist), Dr. Mridul Bera (Physician), Dr. Guruprasad Bhattacharya (Physician), Dr. M. L. Bhansali (Physician), Dr. Bismay Kumar (Nephrologist), Dr. S. K. Somani (Neurologist), Dr. Saikat Ghosh (Physician), Mrs. Joyati Bhattacharya, Secretary Social Affairs, Mrs Fulguni Shah, Convener Public Relations (administrator).

HDSCON-10	Diabetes & Health	23 rd – 24 th August, 2025	Hyatt Regency, Kolkata

A learning phase evolved with each conference and with every passing event the society continued to enrich its core strengths - Doctors with an interest in Diabetes to join us to make our organization bigger and better.

Other Activities: Life style modification is an integral part of diabetes care and we are very grateful to our dieticians, diabetes educators and nurses to be a part of our journey. We conducted educational programmes for nurses, people with Diabetes and diabetes awareness walks on World Diabetes Day. (Walkathon on 14th November 2018, 2019, 2022, 2023, 2024, 2025 and RideOn on 2021, Awareness rally on diabetes during covid period 2020, Diabetes Awareness seminar with Howrah City Police on 14th Nov 2019. Health extravaganza 2022. A Cricket Match "Advocates Cup" on 2021 & 2022 and other social activities with other NGOs of Howrah.

All this has been made possible by the support of our Industry partners. A very special thanks for their contribution.

We must be thankful to the nutritionists, other associates for their wholehearted participation in our all scientific conferences and other social activities.

Vision: A Very Simplistic aim is to expand it beyond the borders of Howrah, thus realizing its true potential in the continuing medical education in the field of diabetes and allied subject. Our platform is to encourage young dynamic enthusiastic doctors to participate in our CME's. We also aim to train diabetes educators and junior doctors in the field of diabetes and related specialities.

With these few words, we are very excited to announce our **11th National Conference on the 12th & 13th September 2026** from 9 am to 6 pm. This event will showcase the latest update in diabetes care and discuss ways and means of translating advances in science into practice. We look forward to meet you all those two days to learn, interact, & enrich ourselves towards better patient care and serving science to the society at large. We are truly excited to bring to all **"Staying Well in Diabetes" on 12th & 13th September 2026, at Hyatt regency, Kolkata.**

If you need further help please feel free to contact Mrs. Joyati Bhattacharya, Secretary Social Affairs-9433515197 and Mrs Falguni Shah, Convenor Public Relation-9830524335 and office helps- 9830877675.

God bless! Stay Safe! Stay healthy!

Thanking you
